**CUP SPECIFICATIONS**

Please follow these instructions to ensure artwork will appear on the cup to your satisfaction.

Please place a tick in each box to complete the QA process. ☒

<b>1</b> Curvature Lines.....	<input type="checkbox"/>
Images & text must follow these curvature lines. This will keep the image parallel to the base & top of the cup when assembled. Guides do not print or appear on proofs.	
<b>2</b> Base of Wrap.....	<input type="checkbox"/>
Image past this line will be under the cup.	
<b>3</b> Seal Area.....	<input type="checkbox"/>
There must be no image in this area.	
<b>4</b> Bleed Area.....	<input type="checkbox"/>
Background image must extend into this area. This area will not be seen on the cup once assembled.	
<b>5</b> Image Safe Area.....	<input type="checkbox"/>
No vital design components to extend beyond this area. If the design elements extend past this area they <b>will not</b> appear on the cup.
